Ask Mavis

Stuck with your phone or telly?
Ask Mavis.

Just say what's wrong in your own words. Mavis shows you how to fix it, one simple step at a time, and reads it out loud.

Add a photo here
(your nan, or a stock photo)

- ✔ **No jargon, no fuss**
- ✔ **Help with scams, the GP and banking**
- ✔ **Big writing, read out loud**

✔ Free to download ✔ Made in the UK ✔ No adverts

What Mavis helps with

- 📺 **The TV and Netflix**
- 📱 **Your phone or tablet**
- 💬 **WhatsApp and photos**
- 🩺 **The GP and prescriptions**
- 🏦 **Banking and scams**
- 🍔 **Ordering screens and parking**

Worried about a call or text? Hang up and ring **159** to reach your bank safely. Mavis can check a message for warning signs too.

Getting started is easy

1. Open the **Play Store** on your phone
2. Search for **Ask Mavis**
3. Tap **Install**, then tap the big blue button and say what's wrong

QR code to your website

Ask a family member to help you set it up. It takes two minutes.
